

1. Active Arrangements open:

Each of the Local Buy Arrangements will be open for the entire month for suppliers to tender. This is where you will respond to a series of questions that will inform us about who you are and the scope of service/good you provide.

2. Evaluation:

A team of internal and external evaluators are now assessing your submission. Please keep an eye out in your inbox for any clarifications (additional questions) we may have about your information.

3. Appointment:

Once your submission has been assessed, and if you are successful, you will receive an invite to be appointed to the arrangement. This invite will allow you to provide us with a few specific details, e.g. copies of the insurances as we asked about in stage 1, and once complete you will be able to be visible to any buyer who is using the agreement for the RFx.

Note: Each of the stages opens and closed within the month. If for any reason you miss a deadline, don't worry as the cycle will simply start again.
