ABOUT LOCAL BUY

Since 2001, Local Buy has been committed to supporting and investing in the advancement of procurement for all 77 Queensland councils and many other organisations and the suppliers they engage, by offering services that help them to reduce risk, save time and realise value in their procurement process.

Our Local Buy Arrangements are a key service offering that is focused on transforming and simplifying how buyers and suppliers connect to deliver value to their communities. All suppliers on our Arrangements undergo a rigorous pre-qualification appointment process, and any type of engagement is compliant to Local Government Regulations 2012 and the Local Government Act 2009.
